Retrospective Exhibit

AUGUST EXHIBIT - RECEPTION AUGUST 29, 1 TO 4 PM

In ancient times Mother Earth and Father Sky fell in love and became one. From this union were born all the thoughts of things to come. Mother Earth thought to roll soil, her substance, into small spheres, thus creating all living things.

We are each a part of one single being, four legged, two legged, winged and gilled. Our mother cries out to us to live in a sacred manner and to be one with her in our body and spirit minds for the ultimate good of all creation.
